## What is Quizlet for Schools?

Quizlet for Schools is a school-wide subscription to Quizlet that empowers teachers to engage students of all levels, helping them practice and master whatever they're learning. Quizlet for Schools provides students and teachers upgraded access to all of Quizlet's study modes, features like Expert Solutions, and AI-powered tools like Q-Chat and Magic Notes.\* Accounts within a Quizlet for Schools order are ad-free, making it even easier to stay focused on your learning goals.

Purchasing Quizlet for Schools gives you access to discounted pricing based on the number of licenses purchased. Each Quizlet account in a Quizlet for Schools subscription has access to Quizlet Plus or Quizlet Plus for teachers for one year from the purchase date, depending on which subscription type you purchased. If you need to purchase both Quizlet Plus and Quizlet Plus for teachers, you'll purchase each subscription type separately. Subscriptions do not renew automatically.
